**Ref: construction of the One Stop Border Post OSBP Main Building at Galafi Border Post the Ethiopian side**

**Subject: Response to Request for Clarification**

Dear Sirs,

It is to be recalled that your company requested Clarification of the Technical Proposal for the construction of the One Stop Border Post OSBP Main Building at Galafi Border Post on the Ethiopian side project in your letter that was dated January 26, 2023, with reference No.M/C/Df/0057/23.

Accordingly, what the Technical and professional capacity of the candidate part of the proposal demands from candidates with respect to your request for clarification is that candidates or Bidders must have completed at least 3 projects of a similar nature/amount/complexity as the works concerned by the tender with the value of each not less than USD 2,240,000.00 or ETB 118,720,000.00 and implemented during the last 7 years from the submission deadline.

You are also required to provide Supporting evidence in the form of a recommendation letter for satisfactory performance for the above minimum experience requirements from the employer which clearly mentions the project amount and the progress. Good Luck.

Sincerely,
