REF: - **Cancellation of Tenders for Supply and Delivery of Servers, Call Center Hardware & Software and Oracle Service Bus Software**

It is to be recalled that the Ministry of Trade and Regional Integration had, on its website <https://motri.gov.et/en/tenders>, advertised the following tenders:

1. Tender Reference No. **MoTRI/EDF- 11/2022/02 dated 23/02/2022** for supply and delivery of servers for regional integration, call center hardware & software and oracle service bus software to the Ethiopian Electronic Single Window Office (Closing Date was on 10th May 2022 at 10:00 am EAT); and
2. Tender Reference No. **MoTRI/EDF- 11/2022/03 dated 23/02/2022** for the supply and delivery of five (05) servers to the Ethiopian Customs Commission (Closing Date was 12th May 2022 at 10:00 am EAT).

After careful deliberation on the above-mentioned Tenders, we regret to inform that the Ministry has fully cancelled the tender procedures pursuant to Article 25 of the Tender on Cancellation of the Tender Procedure due to exceptional circumstances or force majeure render normal implementation of the project impossible.

Please note that the Evaluation process was not conducted, and the Contract was not awarded. Hence, for those who submitted, we have returned your bid documents unopened as per the procedure on the document.

Should a new tender procedure be launched for this project, a new contract notice will be published on <https://motri.gov.et/en/tenders>, unless the contracting authority awards the contract through a negotiated procedure – in which case only the award of the contract will be published.

Sincerely,

Mussie Mindaye
